

# From the Everyday to the Exotic, We Have It.

Because our customers demand the very best in terms of quality and variety, Sysco's product mix includes everything from high-end ingredients and specialty items to restaurant supplies and equipment. We market and sell our own quality-assured Sysco brands alongside some of the most popular national brands available. At the same time, we continue to offer a wide selection of regional, local and ethnic products to help our customers keep pace with the ever-changing wants and needs of today's consumers.

Our customers also benefit from one of the largest and most sophisticated temperature-controlled supply lines in the business, ensuring that we deliver at the very highest level of quality, food safety and consistency.

## Center of the Plate: Meat and Seafood

We ensure that our meat, poultry and seafood are carefully sourced from suppliers who adhere to Sysco's guidelines for quality, animal welfare and safe handling practices. Our brands — Butcher's Block, Fire River Farms, White Marble Farms and Portico Seafood — are sure to make your center-of-the-plate the center of attention.

## Fresh Produce

Choose from a wide variety of whole, pre-sliced or prewashed fresh produce for optimal convenience.

## Delightful Dairy

Sysco offers an astounding variety of dairy products, from cheeses and yogurts to milk, butter and everything in between.

## Frozen Favorites

Frozen foods are a hot item. Whether it's bread, appetizers, entrees, desserts, soups or sauces, you can bet that Sysco has it frozen and ready to go.

## Canned and Dry Goods

Stock your pantry with everything you need — cereals, chips, crackers, flour, condiments, pasta, spices and so much more.

## National Brands

Why go anywhere else? Sysco offers one of the largest selections of the world's most recognizable brand name products, from dry goods and spices to supplies and equipment.

## Sysco Brands

Sysco brands are held to the highest quality standards in the industry, providing unbeatable consistency and exceptional value. Sysco QA guarantees every product meets our stringent standards for safety, reliability and excellence before it is delivered to our customers.

## Gourmet Specialties

If your signature flavor requires a little something different, then explore Sysco's selection of ethnic, international and exotic foods. And with our ChefEx program, you can order almost anything you need from a variety of specialty suppliers.

## Local Flavor

Sysco has programs in place to connect local food producers with the restaurants that value fresh, local ingredients. Our initiatives reach beyond local farmers to include ranchers, cheese makers and sausage producers. This allows Sysco to deliver the freshest foods to you while contributing to the success of local farms and producers.

## Supplies and Equipment

We offer top-quality cookware and tabletop items, cleaning supplies, paper goods, disposable products and a wide variety of the everyday items necessary to keep your operation running smoothly. And at [SuppliesontheFly.com](http://SuppliesontheFly.com), you can order the mission-critical supplies you need 24-hours a day.
